

APPLICATION FOR SUPPLEMENTAL SUPPORT OF STUDENT RESEARCH

BROWN-McFARLAN FUND and FERM FUND

- I. Name _____ Date _____
- II. This request is for: Senior Research Project M.S. Thesis Ph.D. Dissertation.
- III. Is this request for field-based research? _____ (yes/no)
- IV. Have you applied for Graduate School support? _____ (yes/no) Amount requested _____
- V. Have you applied to a non-university agency (GSA, AGU, AAPG, etc.) for support?
_____ (yes/no) Amount requested _____ If so, attach a copy of your proposal(s).
- VI. Have you previously received a research grant from a Departmental account? _____ (yes/no)
If so, list previous awards, as follows:
- | | | | | |
|-------------|-------------------|---------------|------------------------|-------|
| Date: _____ | Which fund? _____ | Amount? _____ | Current balance?* | _____ |
| Date: _____ | Which fund? _____ | Amount? _____ | Current balance? _____ | _____ |
| Date: _____ | Which fund? _____ | Amount? _____ | Current balance? _____ | _____ |
| Date: _____ | Which fund? _____ | Amount? _____ | Current balance? _____ | _____ |

*Check with Pam Stephens for balance.

- VII. Attach a proposed budget. Your budget must be detailed and specific. List each item with estimated costs, documented by quotes as appropriate. Add a statement of justification for each item in the budget. In other words, what do you need to have money to do? Note that an award is an encumbrance; documented expenses will be processed for reimbursement upon presentation of receipts in the department office.
- VIII. If you show a balance in any research account in item IV, briefly explain (1) why you have been able to operate under budget without spending the money you requested last year, and (2) what is the relationship of the remaining balance in your previous award to the new requested budget?

I have read the above application and attest to its correctness.
