Attach a proposed budget. Your budget must be detailed and specific. List each item with estimated costs, documented by quotes as appropriate. Add a statement of justification for each item in the budget. In other words, what do you need to have money to do?

Research awards are based on a research proposal, and are available to students only once per academic year. The maximum support level is \$300 for senior level research, \$600 for M.S. thesis research, and \$1,000 for PhD dissertation research. An undergraduate may receive only one award, a Master's student may receive a total of two awards, and a Doctoral student may receive a total of three awards.
