

MATTHEW M. CRAWFORD

mcrawford@uky.edu

(859) 323-0510

www.linkedin.com/in/matt-crawford

EDUCATION

- Ph.D. University of Kentucky 2018
Dissertation: Hydrologic monitoring and 2-D electrical resistivity imaging for joint geophysical and geotechnical characterization of shallow colluvial landslides
- M.S. Eastern Kentucky University 2001
Thesis: Geologic mapping and metamorphic petrology of part of the Eastern Piedmont Goochland terrane, Virginia: Evidence for a northward continuation of the Goochland granulite terrane
- B.A. Hanover College 1996

EMPLOYMENT

- Geologist IV Kentucky Geological Survey, University of Kentucky 1/2021 – present
 - Landslide hazard and risk assessment, engineering geology, outreach
- Adjunct Faculty Dept. of Earth & Environmental Sciences, U. of Kentucky, 3/2021 – present
- Geologist III Kentucky Geological Survey, University of Kentucky 11/2006 – 1/2021
 - Surficial geologic mapping
 - Landslide inventory and characterization
 - Geotechnical and geophysical investigation of landslides
 - Earthquake and karst hazard outreach and communication
- Geologist II Kentucky Geological Survey, Lexington, Ky. 4/2001 – 11/2006
 - Digitized Kentucky's 7.5-minute (1:24,000) geologic quadrangle maps
 - Compiled geologic maps for publication and use in the KGS geologic map service
- Geologist Minera Orvana Ltda./Orvana Res. Corp., Santiago, Chile 4/1996 – 5/1997
 - Performed topographic and geophysical surveying as part of a gold exploration team
 - Geologic mapping and stratigraphic analysis of bedrock and unconsolidated deposits

AWARDS

- 2017 **Certificate of Meritorious Service**, from the Geological Society of America Environmental and Engineering Geology Division for efforts made on behalf of the Division.

2008 **Poster Contest Winner**, *Geology of Mammoth Cave National Park, Kentucky*, Kentucky GIS Conference, Lexington, Ky.

GRANTS (awarded, pending, rejected)

2022 U.S. Geological Survey, Intergovernmental Personnel Act Program, Building on Federal and State Landslide Research Collaboration, **\$50,000 (research advisor)**

2021 U.S. Geological Survey, Intergovernmental Personnel Act Program, *Towards a National Landslide Susceptibility Map of the United States*, **\$10,000 (research advisor)**

2021 Kentucky Emergency Management/FEMA Hazard Mitigation Grant Program, *Multi-Jurisdictional Hazard Mitigation Plan for Landslides for the Kentucky River Area Development District* **\$426,000 (PI)**

2020 NASA Citizen Science for Earth Systems Program, Announcement NNH20ZDA001N, *Citizen Science to Validate Satellite Soil Moisture and Precipitation Products for Development of Landslide Susceptibility and Forecasting* [**\$1.8 million, CO-PI, rejected**]

2018 NASA Kentucky EPSCoR, *Using Satellite Data to Develop Rainfall-Induced Landslide Susceptibility and Forecasting Models*, **\$40,000 (CO-PI)**

2017 FEMA Pre-Disaster Mitigation Grant Program, *Multi-Jurisdictional Hazard Mitigation Plan for Landslides for the Big Sandy Area Development District*, **\$400,000 (PI)**

2014 Terracon Foundation, *Hydrologic Monitoring and Geophysical Characterization of Landslides*, **\$2,500**

2010 U.S. Geological Survey, *Inventory Mapping and Characterization of Landslides Using LiDAR: Kenton and Campbell Counties, Kentucky*, **\$15,000 (PI)**

2007 National Park Service, *Derivative Geologic Map for Mammoth Cave National Park*, **\$2,500 (PI)**

PROFESSIONAL AFFILIATIONS AND SERVICE

- Current Member of the Geological Society of America (GSA)
- Current Member of the American Geophysical Union (AGU)
- Current Member of Kentucky Association of Mitigation Managers
- Past-Chair, Geological Society of America Environmental & Engineering Geology Div.
- Manuscript reviews for *Journal of Applied Geophysics*, *Bulletin of Engineering Geology and the Environment*, *Landslides*, *Engineering Geology*, *Environmental and Engineering Geoscience*, *Reviews in Geophysics*, *Quarterly Journal of Engineering Geology and Hydrogeology*, *Catena*
- Research Advisor for the U.S. Geological Survey Mendenhall Research Fellowship Program – *Towards a National Landslide Susceptibility Map of the United States*

- Participant in the Geological Society of America Hydrogeology and Environmental Engineering Careers and Networking event, GSA Annual Meeting 2019
- Participant in the Geological Society of America Environmental and Engineering Geology Student Career Mentoring Session, GSA Annual Meeting 2018
- Professional meeting sessions organized or chaired:

Looking to the Future of Environmental and Engineering Geology: Environmental and Engineering Geology Division 75th Anniversary, Pardee Keynote Symposia, Geological Society of America 2022 Annual Meeting

Landslide Hazards: Inventories, Hazard Maps, Risk Analysis, and Warning Systems, Geological Society of America 2021 Annual Meeting, with William Burns (Oregon Dept. of Geology and Mineral Industries) Anne Witt (Virginia Dept. of Mines, Minerals, and Energy) and Stephen Slaughter (U.S. Geological Survey)

Landslide Hazard Assessments and Risk Reduction: Data Collection and Modelling Challenges (posters), Geological Society of America 2020 Annual Meeting, with Anne Witt (Virginia Dept. of Mines, Minerals, and Energy) and Robert Mitchell (Western Washington University)

Advances in Geophysical Methods for Characterizing and Monitoring Landslide Hazards (oral and poster) American Geophysical Union 2019 Fall Meeting, with Sebastian Uhlemann (Lawrence Berkeley National Laboratory) and Jim Whiteley (British Geological Survey)

Landslide Inventories, Hazard Assessments, and Risk Reduction (oral), Geological Society of America 2019 Annual Meeting, with Stephen Slaughter (U.S. Geological Survey)

Advances in Landslide Science to Assess Landslide Hazards and Risk (oral and poster), American Geophysical Union 2018 Fall Meeting, with Ben A. Leshchinsky (Oregon St. University), Jonathan W. Godt (U.S. Geological Survey), and Ching Hung (Nat. Cheng Kung University, Taiwan)

Communicating Geologic Hazard and Risk: Sharing Successes, Failures, and Lessons Learned, Geological Society of America 2018 Annual Meeting with Stephen L. Slaughter (Washington Geological Survey) and William J. Burns (Oregon Dept. of Geology and Mineral Industries)

Landslide Inventories, Databases, Hazard Maps, Risk Analysis, and Beyond (poster), Geological Society of America 2017 Annual Meeting, with Stephen L. Slaughter and William J. Burns

Advances in Data Collection and Delivery for Geohazards: Reaching Out to Stakeholders (oral), Geological Society of America 2016 Annual Meeting, with John Wall (North Carolina State), Norman Levine (College of Charleston), and Douglas C. Curl (KGS)

Landslide, Subsidence, and Debris Flow Hazards: Integrating Engineering Geology Research and Communication Solutions (oral), Geological Society of America 2015 Annual Meeting, with William J. Burns, Lynn M. Highland (U.S. Geological Survey), and Francis K. Rengers (U.S. Geological Survey)

Landslide Inventories, Data, Dissemination, and Risk Reduction (oral), Geological Society of America 2013 Annual Meeting, with William J. Burns and Lynn M. Highland

OTHER ACTIVITIES

- Federal Aviation Administration Remote Pilot certification, Small Unmanned Aircraft System, #476910
- Proficient in modeling and visualization software Quick Terrain Modeler (Applied Imagery)
- Entry-level experience with MATLAB
- Entry-level experience with statistical software program JMP
- Technical training for YellowScan UAV software and visualization
- Proficient in electrical resistivity surveying using the AGI SuperSting
- Experience in conducting triaxial compression (CU) tests using Trautwein-GeoTac Triaxial Loading System and associated TruePath software
- Proficient in GIS software ArcPro and ArcGIS 10.x (ESRI)

COURSES TAUGHT

- Assistant Adjunct Faculty University of Kentucky present
- Adjunct Instructor Georgetown College, General Geology F2004 – S2011
- Authorized Environmental Systems Research Institute (ESRI) instructor
Taught Introduction to ArcGIS classes, 2004-2010. Conducted 2-3 classes per year teaching the basics of ArcGIS to a variety of GIS users

SELECTED PRESENTATIONS

Advancing landslide susceptibility mapping through FEMA hazard mitigation projects in eastern Kentucky, Geological Society of America Annual Meeting, Denver, CO, 10/12/2022

Landslide susceptibility and risk mapping in the Big Sandy Area Development District, eastern Kentucky, Geological Society of America Annual Meeting, Portland, OR, 10/11/2021

Landslide-susceptibility mapping and risk assessment, eastern Kentucky, Geological Society of America Meeting, 10/29/2020 [virtual poster presentation]

Landslide hazard and risk assessment for the Big Sandy Area Development District multi-Jurisdictional hazard mitigation plan, Kentucky Association of Mitigation Managers annual conference, 9/23/2020 [virtual presentation]

Landslide susceptibility and risk in eastern Kentucky, U.S. Geological Survey Landslide Hazards Program Seminar, 9/16/2020 [virtual presentation]

Landslide susceptibility and risk: Update on the FEMA pre-disaster mitigation project, Kentucky Geological Survey Internal Seminar, 8/7/2020, [virtual presentation]

Comparison of LiDAR based landslide hazard assessments for eastern Kentucky, American Geophysical Union Fall Meeting, San Francisco, CA, 12/12/2019

Addressing landslides in Kentucky: A state perspective, Congressional Hazards Caucus, Hazards Caucus Alliance 2019 Briefing Series, Landslide science: nationwide risk reduction applications, Washington, D.C., 6/7/2019

Geologic hazard assessment at KGS: Research, project updates, and LiDAR, Kentucky Association of Mitigation Managers annual conference, Kentucky Dam Village State Park, 9/18/2019

Long-Term Landslide Monitoring Using Soil-Water Relationships and Electrical-Resistivity Tomography to Estimate Suction Stress and Shear Strength, American Geophysical Union Fall Meeting, Washington, D.C., 12/10/2018

Landslide and earthquake hazard assessment and communication in Kentucky, Geological Society of America Annual Meeting, Indianapolis, IN, 11/6/2018

Landslides in Kentucky: Tools and Methodologies to Further Hazard Assessment Kentucky Association of Mitigation Managers Regional Training, Jenny Wiley State Park, KY, 5/23/2018

Geologic Hazards in Kentucky: Tools and Methodologies to Further Hazard Assessment Kentucky Association of Mitigation Managers Regional Training, Calvert City, KY, 5/10/2018

Using Electrical Resistivity to Assess Landslides: Examples From Kentucky and Pennsylvania, Geological Society of America Annual Meeting, Seattle, WA, 10/23/2017

Landslides, in Kentucky: Mapping Modeling, & Collaboration, Kentucky Association of Mitigation Managers annual conference, Kentucky Dam Village State Park, 8/30/2017

Geo-electrical and Geotechnical Field Correlations for Active Landslides in Kentucky, North American Symposium on Landslides, Roanoke, VA, 6/8/2017

Electrical resistivity imaging of a multiple rockslide, Pittsburgh, PA, KGS Annual Seminar, poster, 5/19/2017

Research, Data Dissemination, and Service on Geologic Hazards at the KGS, for the Kentucky Association of Mitigation Managers regional training meeting, Grayson, KY., 4/25/2017

Research, Data Delivery, and Hazard Assessment at the Kentucky Geological Survey, Kentucky Association of Mitigation Managers (KAMM) Conference, Kentucky Dam Village State Park, 8/23/2016

Landslide Hazards, Kentucky Energy and Environment Cabinet/Dept. of Environmental Protection's GIS day, Frankfort, KY., 11/18/2015

The Kentucky Geological Survey Landslide Program: From Inventory to Targeted Research, Geological Society of America's annual meeting, Baltimore, MD, 11/2/2015

The Kentucky Geological Survey: A Geologic Hazard Management Overview, Kentucky Association of Mitigation Managers (KAMM) conference, Lake Cumberland, KY, 8/24/2015

The Kentucky Geological Survey Landslide Program: An Overview, Geohazards in Transportation in the Appalachian Region forum, Huntington, WV, 8/6/2015

Landslides in Kentucky: Inventory, Data Delivery, and Collaboration, Association of Environmental and Engineering Geologists professional landslide forum, Seattle, WA, 2/26/2015

Geologic, geotechnical, and geophysical investigation of a shallow landslide, eastern Kentucky (poster), Geological Society of America Annual Meeting, Vancouver, BC, Canada, 10/22/2014

Landslides in Kentucky, Kentucky Association of Mitigation Managers Annual Conference, Lake Barkley State Resort Park, Cadiz, KY, 9/10/2014

Landslides in Kentucky, Kentucky Emergency Management Quarterly Director's Meeting, Burlington, KY, 7/10/2014

Discovering Landforms, Kentucky Geological Survey Annual Meeting, Lexington, KY, 5/16/2014

Electrical Resistivity From A Geohazards and Engineering Perspective, Kentucky Geotechnical Engineering Group, Frankfort, KY, 4/16/2014

Using LiDAR to Map Landslides in Kenton and Campbell Counties, Kentucky, Kentucky GIS Conference, Louisville, KY, 9/27/2012

Monitoring and Characterization of the Meadowview Landslide, Boyd County, Kentucky: Preliminary Results, Geological Society of America Meeting, Denver, CO, 10/29/2013

Understanding landslides in Kentucky: Tools and methods to further landslide hazard research, International and N. American Symposium on Landslides, Banff, AB, Canada, 6/3-8/2012

Using LiDAR to map landslides in Kenton and Campbell Counties, Ky., Kentucky Transportation Cabinet GIS Conference, 3/29/2012
